The Final Countdown!

Dear Parents and Carers,

Welcome back to school! We trust you had an enjoyable spring break and are refreshed and ready for your child's last term at Primary School.

This term your child will take their SATs tests in Reading, Maths and Spelling, Punctuation and Grammar (SPaG). The children are becoming more familiar with the style of these tests and should be confident when tackling them. Please ensure that your child is prepared for these tests: make sure they have an early night; eat a good breakfast; and arrive at school on time. Even if your child is unwell during this period, please encourage them to come to school - after the test, with your permission, they could be sent home. After half term, children will have an Activity Week and other excursions to look forward to.

We hope the children are proud of the progress that they have made this year and that they will enjoy their final term at Marian Vian.

Thank you for your continued support,

Mrs Livett, Mrs Niblock, Miss Lovegrove and Mrs Harris
