Our Little Stars.....will be having a supercalifragilisticexpialidocious adventure based on Mary Poppins this term. Your own Little Star can join the fun at our classes for **Reception to Year 3 at Marian Vian School.**

Each week our creative classes will introduce your child to special songs and dances based on this classic story. At the end of term, you can see for yourself how much fun they have had by coming to watch your child's Mary Poppins show.
